Some Important Things To Understand:

- **Where will you complete your certification dives?** You will join us for two days of fun-filled open water diving. Sites vary from Manatee Springs State Park to many other well know local dive locations. If you choose to complete your program with a resort facility, we will provide you with a complementary Universal Referral Package.
- **What do you need for class?** All students must have their own **Personal Snorkeling System** including the **SSI DiveLog**. **Aquatic Center** recommends the purchase of a Total Diving System, which contains all of the equipment you will need as a scuba diver. Many students take advantage of this program because they enjoy the added comfort of being trained in their own equipment and they save on rental fees as well as the total equipment costs. Your instructor will assist you in the selection and custom fit of a system that suits your needs.
- **How soon do you need your Equipment System?** Please do not purchase any equipment until we have met with you. **Aquatic Center** will reserve a time for you to be properly fitted into your Equipment System prior to the first session. **Aquatic Center** guarantees your satisfaction.
- **Is your certification international?** Yes... **Aquatic Center** certifies under SSI (Scuba Schools International), the largest "store based" international certification agency in the world.
- **Will you have fun?** We guarantee it!
- **Any more questions,** call us at (352) 369-5199. Your comfort with our training program is very important to us.
- **Or stop by! Our hours are:** Monday-Tuesday 10:00-6:00
